

# Manual Tape Dispenser

## Technical Data Sheet

The PACK Profi 161-21403 is a professional manual tape dispenser used for the sealing of cartons and packages. With its roller brake, it is ideal for easy to unwind packaging tapes. Two contact pressure rollers allow for easy and smooth tape application. The smart, precision cut-off trigger provides clean, controlled cutting. Users are safeguarded with built-in blade protection, reducing the risk of injury during use.
