## *The Professional's Choice for Quality, Speed and Safety!*

The **PACK PROFI** is the perfect tool for fast-paced shipping, warehousing, or industrial environments. The professional-strength, manual tape dispenser combines control and efficiency and is ideal for use with easy-to-unwind packaging tapes.

Its integrated roll-brake ensures smooth handling, while dual contact pressure rollers deliver a precise, effortless application every time. The smart, precision cut-off trigger provides clean, controlled cutting. Users are safeguarded with built-in blade protection which reduces the risk of injury during use.
